## PROJECTS

**Orange HRM Application Testing in Manual  
Testing**

Orange HRM Application Testing  
In this we test the application for Human Resource  
Management Application which is generally used  
by HR. In this we do the functional testing of the  
application based on the scenarios we have  
written and go with the testing of the application  
by creating test plans. It is used by the HR to  
maintain the record of all the employees in an  
organization.
